

**The National Association of PeriAnesthesia Nurses of Canada (NAPANc)
In cooperation with the
PeriAnesthesia Nurses of Alberta, Southern Alberta Chapter (PANAsac)
Present:**

"2010: LIVING THE LIFE WE HAVE IMAGINED"

Request for Sponsorship and Donations:

The PeriAnesthesia Nurses of Alberta are delighted to be hosting the 9th Annual NAPANc conference, **"2010: Living the Life We Have Imagined"**, being held **May 28-30th, 2010** at the Sheraton Suites Eau Claire, Calgary, Alberta. We are planning for 200 national and international delegates who care for patients in a variety of perianesthesia settings including: Post Anesthesia Care Units, Pre-Admission Clinics, Day Surgery Units, Procedural Sedation Units as well as private dental and surgical centers. For further information regarding our association please go to www.napanc.org.

The conference will be filled with topics relevant to perianesthesia nursing. In keeping with our theme, other topics will focus on life management strategies that will assist the delegates to live life to the levels of success and fulfillment that they have always imagined.

The success of the conference will be measured in part by the number of nurses in attendance. To this point, the planning committee is committed to providing a conference that is affordable as many of our delegates will receive minimal or no financial support towards registration, accommodation and transportation.

We would greatly appreciate if you would consider supporting our conference by way of a financial contribution or through the donation of products/services that would be used for door prizes, silent auction/raffle prizes or conference gifts.

For further information on how to participate in the 9th Annual NAPANc Conference Sponsorship + Donation Program please contact Tracy Boivin-Oldale at troidale@telusplanet.net.
